**NOTIFICATION OF
GLOBAL CROSSING AIRLINES, INC. D/B/A GLOBALX**

Pursuant to Order 2020-1-16 (the “Show Cause Order”) and Order 2020-5-7 (the Final Order”)¹ of the US Department of Transportation (“Department”), Global Crossing Airlines, Inc. d/b/a GlobalX, in a manner similar to Swift Air d/b/a iAero Airways² (“iAero”), is providing the following Notification for its anticipated charter flights for Viajehoy, LLC d/b/a Havana Air (“Havana Air”) from June 1, 2022 to May 31, 2023. In addition to the arguments proffered by iAero, GlobalX would further state that due to the limited time between now and May 31, compressed operations (scheduling, dispatch and retention of pilots), and the likelihood of repositioning aircraft must be considered in advance. With a pent-up demand for travel to Cuba, mostly resulting from the effects of

¹ 2020 U.S.- Havana Public Charter Authorization, Docket DOT-OST-2020-0011, Order to Show Cause 2020-1-16(Jan.29, 2020); 2020 U.S. -Havana Public Charter Authorizations, Docket DOT-OST-20200011, Final Order 2020 5-7 (May 28, 2020).

² Swift Air, LLC filed its Notification for flights post June 1, 2022 through May 31, 2023 with the US Department of Transportation on March 18, 2022.

COVID-19 in 2020, the load factors are now increasing and the need to secure additional lift along with qualified/trained pilots is a challenging effort. Even procuring ground handlers in a market already exhausted due to a lack of qualified personnel in the labor force dictates the need for early, concise and well thought out planning by GlobalX.

A detailed list of the planned flights for Havana Air including the point of embarkation and disembarkation, the day-of-the-week operations and the type of lift are attached hereto as Exhibit A.
